

Senior Pastor Reveals a Blueprint of Facts to Understand the Scriptures

Dr. Thomas R. Snyder's "Tribulation Or Raptured" will grace this year's celebrated New York Library Association Book Exhibit in Saratoga Springs, N.Y.

Riverview, FL ([PRWEB](#)) November 10, 2012 -- Tribulation Or Raptured: The choice is yours! by Dr. Thomas R. Snyder is all set to join the New York Library Association Book Exhibit in Saratoga Springs, N.Y. on November 7-10, 2012. Through this book, the author speaks volumes of revelations to help readers understand the Scriptures and the end-time prophecies— relevant to our times, making them aware and prepare for the events to come.

This book features the many bold truths that are embedded in the Scriptures. It does not only convince readers that there will be a rapture, but also prepares them for its inception. Tribulation Or Raptured: The choice is yours! also highlights the following:

- the second Pentecost or latter rain
- a clear picture of what awaits in heaven
- complete clarity concerning the great tribulation, today's time, the rapture and God's timetable concerning these events
- three words that confer the power and authority that Jesus demonstrated while on earth
- God's one word antidote for all troubles

As these paramount revelations unfold in this book, Dr. Snyder also shares divine happening and miracles which Jesus has performed through him: the dead are raised; blind eyes are opened; cancers disappear; devils are cast out; and deaf ears are opened. Furthermore, a bonus account of a divine visitation Dr. Snyder received which is similar to the encounter of the apostle Paul is also told.
